

Car Parking Information

HOLLAND BECKETT

Client Parking

We have plenty of off street parking at The Hub. There are 12 car parks in the underground basement on the back wall straight ahead as you pull into the basement, each park has a Holland Beckett sign on it. There are no Holland Beckett car parks outside on ground level except for Disabled parking.

Disabled Parking

We have three disabled car parks at The Hub. They are in the outdoor carpark area on ground level. There is also wheelchair access to the main door. Please note there are no disabled parks in the basement.

Electric Vehicle Charging Station

There is an EV charging station in the basement which Holland Beckett clients are welcome to use at no cost. The charging station is at the car park on your hard left as you pull into the basement, there are clear instructions on the wall for using the charger.
